HGV C&E Driver

Locations: Steventon, Oxfordshire
Wigan, Greater Manchester

The job entails hauling to and from site and installing and recovering our Dura-Base mat system using a truck mounted crane.

The successful candidate will be:

- Able to work as part of a team
- Able to work as a two-man crew including nights out
- Able to maintain accurate paperwork/electronic records
- Reliable and trustworthy
- A good time keeper
- Able to use their own initiative and highly motivated
- Adhere to stringent H&S working practices

Applicants must have a current HGV C&E licence. Previous crane experience would be preferable, but not essential, as training will be given.

The position will involve working throughout the UK, Ireland and Europe and include nights out in a double sleeper cab.

Job type: Permanent full time. Monday to Friday with weekend work at times

Hours: To be discussed

Salary scale: £30-£40,000 pa depending on experience with overtime and night out payments

Qualifications: HGV C&E and crane operators licence with grab preferred.
