# Loading Shovel Operative for 14T machine with forks & bucket

**Location:           Steventon, Oxfordshire  
                          Wigan, Greater Manchester**

The job will entail:

- The movement of the Dura-Base mats in the yard area for cleaning and loading and unloading the trucks
- The flexibility to work as Crew to Drivers on installation and recovery operations throughout the UK, Ireland and Europe, which will involve working as a two-man crew, including nights out in a double sleeper cab

The successful candidate will:

- Have previous experience of heavy plant machinery (this is essential)
- Be able to work using own initiative
- Be a good time keeper
- Be able to adhere to stringent H&S regulations
- Be able to sometimes work away from home
- Hold a Loading Shovel or Heavy Forklift ticket

Job type:           Permanent full time.  
                          Monday to Friday, with some weekend work

Hours:             To be discussed

Salary scale:      £20-£30,000 pa depending on experience

Qualifications:   Loading Shovel or Heavy Forklift ticket
